

You have purchased: An Audi Service Plan

Your next scheduled services are covered within this agreement.

This leaflet contains information about your servicing agreement that you may find useful when thinking about your next service. It helps to understand what you are entitled to before you need to visit an Audi Centre, so please read and retain for future reference.

When a service is due, please book with any UK Audi Centre or Audi Authorised repairer at audi.co.uk or by telephone, and mention that you have a service plan. Most Centres have a great range of courtesy vehicles for you to use, if you book ahead.
