Contract Hire

Available for both personal and business customers*, Contract Hire is a rental agreement that allows you to drive a Bentley without owning it.

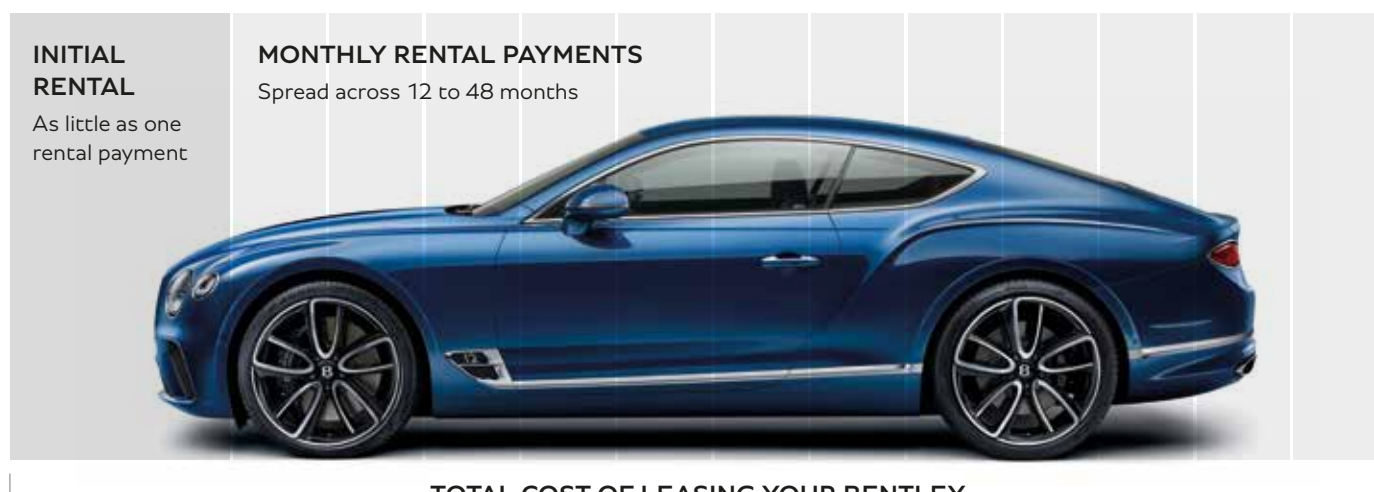

1. CHOOSE YOUR BENTLEY

2. CHOOSE A PAYMENT PERIOD TO SUIT YOU

You can choose any period from 12 to 48 months. For added convenience, you can also add a service, maintenance and tyre plan.

3. CHOOSE HOW MANY MILES YOU EXPECT TO DRIVE EACH YEAR

It's important to give this some thought because, if you exceed the agreed mileage set out in your agreement, excess mileage charges will apply. If at any point during your agreement you think you will go over your anticipated mileage, please contact Bentley Financial Services to discuss your options.

What happens next:

PAY INITIAL RENTAL

Initial rental can be as little as one month's rental payment.

PAY EACH MONTH AND ENJOY YOUR BENTLEY

Contract Hire agreements are not designed to be settled early. If you wish to end your agreement early, you can request an early termination quote to cover the cost of the remaining rentals, though this can be costly.

HAND IT BACK AT THE END AND SIGN A NEW BENTLEY AGREEMENT

As you are hiring your Bentley, ownership will remain with Bentley Financial Services and you will hand the vehicle back at the end of the agreement, which gives you the option to sign a new contract for a new Bentley.

Contract Hire involves no end of agreement final payments, however it is important to keep your vehicle within the agreed mileage and in good condition as you may be charged for any damage that goes beyond fair wear and tear at the end of your agreement (subject to BVRLA guidelines).

See the reverse for complete terms and conditions.
