

Product Information Guide: Lease Purchase

Lease Purchase enables customers to finance their Audi with lower monthly payments by deferring an agreed amount until the end of contract

How does it work?

Once you have chosen your Audi and decided on your deposit, you just need to make three decisions that will affect your monthly repayments:

- ▶ **Your repayment period**
Choose any period between 12 and 48 months
- ▶ **Final 'balloon' repayment**
Defer an agreed amount until the end of the agreement
- ▶ **Mileage per year**
Choose how many miles you expect to drive each year
