Service Plan by Porsche

Your next two services and MOTs* are covered within this agreement.

This leaflet contains information about your servicing agreement that you may find useful when thinking about your next service. It helps to understand what you are entitled to before you need to visit a Porsche Centre, so please read and retain for future reference.

When your vehicle requires a service, please contact your local Porsche Centre to book your vehicle in. A service will be due depending on the service regime set at time of handover (please refer to your owner's manual). To find your nearest Porsche Centre, click [here](#). When you're making your booking, remember to mention that you have a Service Plan. Remember that a Service under this scheme can only be obtained from an authorised participating Porsche Centre.

Below is an overview of what is included. For full details, please visit our website [here](#).

What's included in each service?
