Product Information Guide: Contract Hire

Contract Hire is a rental agreement that allows you to drive a Porsche without needing to own it.

How does it work?

Cost of your vehicle

Initial rental

As little as one monthly payment*

Rental payments

Spread across 12 to 48 months

Once you have chosen your Porsche and decided on your initial rental, you need to make three decisions that will affect the monthly rental payments:

- **Your rental payment period**
Choose any period between 12 and 48 months
- **Mileage per year**
Choose how many miles you expect to drive each year†
- **Servicing**
Choose to include a service, maintenance and tyres plan in your agreement

Once you have paid all outstanding rentals, you simply hand your vehicle back, subject to fair wear and tear and excess mileage charges.

FAQs

Can I get a Contract Hire agreement?

What benefits does Contract Hire offer me?

- Contract Hire is ideal for customers simply wanting to pay a monthly rental for the vehicle, change it on a regular fixed period and have no disposal risk
- You won't own the vehicle and therefore won't have the worry of ownership, you just have to hand it back at the end of the agreement
- There is no additional final payment at the end of the agreement
- If you are a business user:
 - A proportion of the rentals may be claimable as an expense against taxable profits#
 - An element of the VAT on rentals may be recoverable by VAT registered businesses#1
- You can build in a service, maintenance and tyres plan to make budgeting even easier

Important information to consider

- Ownership of the vehicle will always remain with Porsche Financial Services and it is really important that you keep up to date with your monthly repayments. Please contact us if you are having any difficulties as the vehicle may be at risk if you don't
- Contract Hire agreements are not designed to be settled early. If you wish to end your agreement early you can request an early termination quote to cover the cost of the remaining rentals, these can be quite expensive
- If you exceed the agreed mileage set out in your agreement then excess mileage charges will apply. If during your agreement you think you will go over your anticipated mileage then please contact Porsche Financial Services to discuss the options available
- It is important to keep your vehicle in good condition as you may be charged for any damage that goes beyond fair wear and tear

What happens at the end of my agreement?

At the end of your agreement you just pay any outstanding fees and hand the vehicle back to Porsche Financial Services.

Will I own the vehicle?

No, you are hiring the vehicle and will hand it back at the end of the agreement.
