

Keep this guide handy

The handover

12 weeks to handover
Check your car over.

6–8 weeks to handover
You'll hear from British Car Auctions to fix an appointment.

Inspection and Report
On your arranged date, the inspection occurs and we receive the report.

Handy tips

- ✓ Be sure to check your car in natural daylight.
- ✓ Give the car a good clean and leave it to dry before starting.
- ✓ Check scratches, scuffs, chips and dents using the handy tool provided.
- ✓ Check the tyres (including spare) and tyre tread.
- ✓ Check all lights and controls to make sure they are all still working.

When printing, remember to print actual size and not 'Fit to page'

Bump and scratch measuring tool

Inside the lines, bumps and scratches are fine. Outside the lines – it's TLC time.

Dents:
- Up to 10mm in diameter
- No more than two per panel
- Paint must not be broken

Scratches:
- Up to 25mm are acceptable
- Primer or bare metal must not be showing

Moulding and wheel arch trims:
- Scuffs and scratches up to 25mm are acceptable
- Moulding or trim must not be cracked, broken or deformed
