# This guide is designed to provide you with a better understanding of All-in from SEAT.

Please take the time to read it and be aware of what is included and excluded to avoid any unnecessary surprises later.

#### Overview

# What is All-in from SEAT?

All-in from SEAT has been designed specifically for cars aged three to six years at the point of activation. It provides a comprehensive level of cover for your peace of mind. This plan ensures your SEAT aftercare needs are covered by SEAT trained technicians using only SEAT genuine parts and diagnostic equipment.

With All-in, we will take care of you for the next two years by carrying out your next two services and MOT tests and providing up to two years' Warranty and two years' Roadside Assistance.

#### All-in from SEAT includes:

2 MOT Tests

Up to 2 years' Warranty\*

2 years' Roadside Assistance

With All-in from SEAT you will have the flexibility to visit a range of Authorised Repairers across our network for your service and maintenance requirements. You will also receive a Confirmation of Cover and full terms and conditions detailing every aspect of your plan.

<sup>\*</sup>If your vehicle's previous SEAT UK or SEAT Financial Services warranty expired over 30 days before you purchased All-in, then you won't be able to claim in the first 30 days of your All-in Warranty (a "no-claim period"). Effectively, you'll have 23 months where you can make a claim on your warranty.

# Servicing

#### To help you manage your finances and to ensure your vehicle receives the best care, All-in covers your next two services.

Once you have received your Confirmation of Cover and are ready to book your vehicle in for a service, please contact your local SEAT Authorised Repairer direct or book online here.

Tell your Authorised Repairer you are an All-in customer, bring along your Confirmation of Cover and they will complete the service for you and update your service record at the same time.

The Authorised Repairer will contact us for authority to carry out the work required, and you will be asked to agree to any work carried out on your vehicle even if it's covered by the All-in plan.

Only the items listed are covered. Any additional work identified at the time of service will need to be paid for separately.

You will also benefit from our Service Promise.

#### What is included:

The next 2 services due which includes:

- Drain and replace the engine oil, filter, sump plug and washer
- Check fluid levels for screenwash, brakes and coolant
- Check tyre conditions and report any issues
- Check the condition of the braking system and report any issues
- All other component checks detailed as a requirement within the service schedule
- Check for vehicle safety and software updates
- Vehicle road test (when required)
- Engine air filter replacement (when required)
- Pollen filter replacement (when required)
- Diesel fuel filter replacement (when required)
- Spark plugs replacement for petrol models (if required)

Hybrid vehicles also include:

 Visual checks to the battery carried out by high voltage trained technicians

#### What is excluded:

Wear & tear including but not limited to:

- Replacement brake pads, discs and fluid
- Replacement wiper blades, front or rear
- Engine oil, air and fluid top-ups between services (including AdBlue)
- Air conditioning repairs or servicing
- Tyre replacement or puncture repair
- Glass including windscreen glass and headlamp lenses
- Any repairs or maintenance associated with the engine particulate filter and catalytic reduction systems

Additional jobs required at a mileage or time interval:

- Cambelt replacement
- Alternator belt replacement
- Automatic gearbox oil change
- Brake fluid

# Top tips to keep everything in order:

- ✓ Be aware of your date of registration so that you can service your SEAT on time
- You should service your car within 30 days or 1000 miles of when it is due
- ✓ If you still have a service book, ask the Authorised Repairer to stamp it for you

## **MOT Test**

#### To make life easier and to ensure the safety of your vehicle All-in includes 2 MOT Tests.\*

The MOT is an annual test of the vehicle's safety, roadworthiness and exhaust emissions. It is a legal requirement for which you receive a certificate once passed that you need to keep safe.

During the MOT, important parts of your vehicle will be checked to make sure they meet the legal standards. If it doesn't pass, the required repairs will be highlighted to you but are not covered by the MOT itself.

For customers in Northern Ireland, two MOT pre-checks are also included, as well as drop-off and collection to and from the local government MOT test centre.

# Top tips to keep everything in order:

- If the timings work for your SEAT, it is possible to carry out your service and MOT at the same time
- ✓ Be aware of your date of registration so that you can book your MOT on time

# Warranty

To help avoid unexpected repair costs, and to prevent you from worrying about what might happen in the months ahead, All-in from SEAT includes a 2-year warranty for mechanical and electrical components at no additional cost<sup>†</sup>.

This warranty policy covers the costs\* of repairing or replacing the covered components that have suffered a sudden electrical or mechanical failure during the period of cover (excludes no-claim period).

If your vehicle's previous SEAT UK or SEAT Financial Services warranty expired over 30 days before you purchased All-in, then you won't be able to claim in the first 30 days of your All-in Warranty (a "no-claim period"). Effectively, you'll have 23 months where you can make a claim on your warranty.

The All-in Warranty does not cover any vehicle already covered under any other guarantee, insurance, warranty and/or gesture of goodwill. The warranty is valid in the United Kingdom and for up to 60 days per year in Continental Europe.

#### The key exclusions are:

- All bodywork, paintwork, body component, glass and seals
- Certain worn and perishable items
- Failure caused by deterioration of a covered part commensurate with its age and mileage
- If the fault causing the part failure existed before the Warranty came into effect, or occurred during the no-claim period, the Warranty will not pay for that repair
- Losses or damage due in any way to any type of accident, misuse or any act or omission which is wilful, unlawful or negligent
- Claims linked from, or caused by, vehicles being modified in any way from the manufacturer's specification
- The car must not be used for hire or reward, commercial use, professional instruction, competition or offroad use, motor rally, speed or duration tests or any practice for these events

Your warranty policy does not cover anything required as part of the service and MOT Test.

Always make sure your service record is kept up to date, this can help to prevent any discrepancies later. If you fail to have the covered vehicle serviced correctly in accordance with the manufacturer's specifications during the period of cover, or you are unable to produce proof of such servicing if we request it, then this may invalidate your cover or we may not pay all or any part of a claim you make.

Please ensure you read the terms and conditions relating to your Warranty cover, which you can find <a href="https://example.com/here">here</a>. This will give you information about your warranty policy, including all exclusions and inclusions, as well as how to make a claim.

#### Top tip for your warranty:

✓

If your vehicle is being repaired as part of a Warranty claim, your SEAT Retailer might be able to offer a courtesy car^ wherever possible, if you book in advance

#### Cover provided by SEAT UK and administered by SEAT Financial Services

<sup>†</sup>2 year warranty funded by SEAT UK. \*Limited to parts and labour (inclusive of VAT) up to the market value for the covered vehicle at the time of the claim (inclusive of VAT) and all policy inclusions only apply to the covered vehicle.

^Participating SEAT Retailers only. Please note that a courtesy vehicle needs to be booked in advance and cannot be guaranteed.
