BOOK A SERVICE

When a service is due, an indicator will appear on your vehicle dashboard to prompt you.

CUPRA Care Plan allows you to use any UK CUPRA Authorised Repairer. Simply book in advance online or by telephone, and mention that you have a plan, so they can manage the bill correctly when the time comes.

What happens during a service depends on the age, mileage and engine type of your vehicle. Full details about what should be inspected and or replaced at each scheduled service can be found in your owner's manual or can be explained by the Authorised Repairer.

A general overview of what is or isn't included can be found on the following pages. Being aware of this might help you understand if there might be anything else to pay for on the day.
